

PRESS RELEASE

Vatican City, September 21st, 2020 – The Cardinals Commission of the Institute for Works of Religion, in its new composition, has approved, ad experimentum for two years, the implementing Regulation of the Statute, which are to contain inter alia a detailed description of powers and areas of competence of the Board and the Directorate.

The text was prepared and approved by the Board of Superintendence during its meeting on 21st July 2020.

In particular, the General Regulation governs the organization, activity and functioning of the Institute for the Works of Religion in accordance with Statutes, as last amended from His Holiness Pope Francis with Chirograph dated August 8th, 2019.
